

Engage at MITechCon:

For Speakers:

Elevate the Conversation

At MITechCon, your voice is pivotal. You're not just presenting – you're shaping the future of technology. Engage with a diverse audience, from developers to tech enthusiasts. Connect with peers, boost your profile, and be at the forefront of the tech community.

- **Submit Your Proposal:** Be part of our global lineup by September 30th.

For Attendees:

Discover the Future, Today

MITechCon is where innovation meets application. Dive into nine technology tracks and connect with over 80 presenters from around the globe. Network, establish contacts, and immerse yourself in transformative tech insights.

- **Act Fast:** Secure early bird pricing before our speaker lineup announcement on October 16th.

Join us for two days of education, networking, and innovation. Whether you're sharing insights or soaking them in, MITechCon is your platform.

March 21st &
March 22nd, 2024

What is MITechCon?

MITechCon (M-eye-tech-con) is a two-day technology event put on by the Michigan Technology Conference that brings together technology leaders, developers, engineers, analysts, managers, and owners. The goal is to bring the premier technology gathering in Michigan to the Metro Detroit area annually for education and connection.

When is the first MITechCon?

Thursday March 21st and
Friday March 22nd, 2024.

Where is MITechCon?

UWM Sports Complex in Pontiac, Michigan.

Who will be at MITechCon?

Over 80 speakers from across the globe will be there to present on topics ranging from Coding, Cloud, UI/UX, Data Science, AI, Agile, Security, Leadership, People Skills and more.

In addition, local companies will have booths to showcase their different technologies and innovations and allow attendees to network and connect.

For the most up to date information, check out the website MITechCon.org and sign up with your email to get spam-free updates.
